

What We Teach

The school day begins with pledges to the American flag, Christian flag, and Bible as the students learn to honor God and their country. Utilizing the A Beka curriculum, we strive for academic excellence in all of our classes, from MDO through Elementary.

MDO

Students are given opportunities to explore their world with creative play, while developing the vital learning skills and academic concepts they need.

2K

We provide an academic environment that is fun and stimulating. Students learn colors, shapes, numbers 1-10, how to count from 1 to 20, sharing with others and we work on potty training.

3K

Students learn basic academics including the alphabet, colors, shapes, numbers, and Bible stories. This class builds a solid academic foundation for the transition to the more academically advanced four year old class.

4K

In our 4K program, we provide a strong foundation for reading, writing, math, and language development. Students learn Bible lessons and memorize verses. Students completing the 4K class should be able to read simple sentences and will be on track to transition into Kindergarten.

Kindergarten and Elementary Grades

A Beka curriculum is used to teach students Math, Language Arts, Reading/Phonics/Spelling, Social Studies, Science, and Bible. Additionally, students have Computer, Spanish, Music and Library classes.

Mission Statement

To reach and teach young children and their families about the truths of God's love and to stimulate learning in all areas of development including: spiritual, physical, social and emotional.

Curriculum

We use A Beka curriculum in all our classes. A Beka provides curriculum built on a foundation of academic excellence and Christian character training.

Special Classes

Every Wednesday the children have Chapel time where they sing and learn Bible stories. We also have music class each week for all children. The 4K classes have Computer and Spanish on Fridays. The elementary grade classes have Computer and Spanish classes twice a week.

We welcome the opportunity to meet with your family. It is truly our mission to provide a safe, nurturing environment in which your child can grow, excel and become all God would have him/her to be.

My office is always open, so please feel free to come by at any time.

A preschool program is fundamentally **for children.**

A day care program is primarily for parents.
That makes all the difference in the world!
