Dear Parents,

Your 2025-2026 Registration packet is attached! Everything you need to register your child is included in this envelope. Please make sure that you fill out the Registration Form **completely**! Do not leave anything blank. If it doesn't apply, please write N/A. Please make sure that all addresses are complete, including street address, city and state. If you have an email address, please include it, along with your cell phone number. If you only have a cell phone, please provide an alternate number for emergency purposes.

Please take a moment to completely read the Handbook. We have made a few important changes to our Policies and Procedures for the upcoming school year and want everyone to be aware of those changes.

Your registration fee is due when you turn in your completed registration form. Curriculum fees will be due in full by **May 2nd**. If paid after May 2nd, a \$25 late fee will be added. Note: **Registration and Curriculum Fees are NON-REFUNDABLE.**

We have found that our happy families are our best advertisement. If you refer a new family and they enroll their child, you will receive a certificate for a \$25 discount off one month's tuition for the 2025-2026 school year.

Below is a checklist of everything that is needed at the time of registration. Please make sure that you have included everything on the list. If your packet is missing something, we will not be able to process it. Remember that class sizes have limited spots available and some of our classes fill up quickly, so the sooner you return your registration form the better.

Sincerely,

Mrs. Brook
